## OBJECTIVES

---

- To render top-notch services in order to achieve the company's set goals while honing my profession skills
- To be an effective team player in any environment where my skills are fully required and also contribute wholesomely to the achievement of the company.

## PROFILE

---

I am a high-flying, intelligent, team spirited, and go-getting young man who is passionate about sales, human relations and customer service delivery. I have worked in several organizations which have impacted me with requisite skills and experience to achieve set goals in any industry where my expertise is required. I look forward to working in an organization where my sales, communication, managerial and customer relations skill will be optimally engaged.
