3 September, 2019

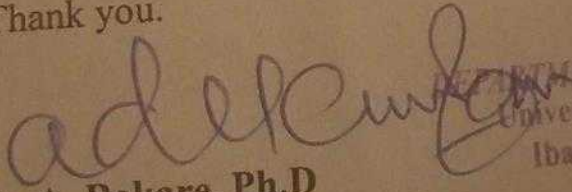

TO WHOM IT MAY CONCERN: ALONGE, TOLU CHARLES

The above-named candidate was an M.Sc. student (Matric No. 203808) in the Cellular Parasitology unit of Department of Zoology, University of Ibadan.

He has completed his M.Sc courses and research project. He successfully defended his M.Sc project on the 2nd of May, 2019 and made M.phil/Ph.D grade. The Postgraduate committee of the Department met and approved his results and those of other members of his set on 3rd of July, 2019. His result is currently awaiting the official ratification of the Faculty, Postgraduate School and University of Ibadan Senate.

Kindly assist this candidate.

Thank you.
