The State Coordinator,  
National Youth Service Corp,  
Opposite Correctional Centre,  
Abakaliki, Ebonyi State.

Sir,

**RE: DICKSON FELIX VINCENT**

This is rather an Attestation for **Mr. Dickson Felix Vincent (EB/19C/0073)** whom his **Primary Assignment** with us covered the period from January to 30<sup>th</sup> September, 2020. I have indeed experienced many Corp members, but among them all, **Dickson** is truly a personality to reckon with. He stands out above his peers. My close observation of him was deeply revealing and I can here assert without any fear of contradiction that he is focused, determined and hardworking.

Further still, there is a burning desire in him to impact in whatever way possible, in the community. He made known to me his intention to establish a community library in Effium. After all frantic efforts, the project eventually could not come through due to lack of fund and the expected support from respective individuals. Despite that and being unrelenting, he carried out sensitization activities on Corona virus pandemic and malaria disease, had computer training for students, organized seminar on Climate change and Global warming and capped it up by embarking with those in attendants.

Sir, you can agree with me that in today's society, where youths would prefer to fold their arms and still expect wealth, personalities like **Dickson** are rare. I am indeed glad to have worked with him and I believe in him, knowing that he will actually go far in life. Consequently, I wish him the best in this ephemeral sojourn.

Sincerely Yours,

Rev. Fr. Oliver Agbo (Esq.)
