

Desmond Chukwudi Ikem

desmonddilo@gmail.com

Date of birth	06/02/1995	Nationality	Nigerian
---------------	------------	-------------	----------

EDUCATION

2019 — 2021	Master's in Molecular and Medical Biotechnology, University of Verona, Italy Grade: 110/110
2012 — 2016	Bachelor's in Biology Education, Delta State University, Abraka, Nigeria Grade: First class honours (4.66/5.0)

INTERNSHIPS

Aug 2021 — Oct 2021	University of Verona I was trained in genomics techniques: DNA library preparation (which includes DNA gel electrophoresis, Polymerase Chain Reaction [PCR], etc.), DNA sequencing (MinION Oxford Nanopore Technology).
---------------------	---

WORKSHOP

2022	Institute of Bioinformatics & Molecular Therapeutics (IBMT), Osun state, Nigeria Homology modelling and density functional theory analysis Protein-protein docking and pharmacokinetics profiling Computational drug discovery
------	--

COURSES

General training course on health and safety for workers, University of Verona Workplace health, safety and welfare, Skill Up

AWARDS/PRIZES

Awarded the departmental prize for best student in the department of Biology Education, 2015/2016 session, Delta State University, Abraka, Nigeria.
--

PROFESSIONAL CERTIFICATIONS

Teachers Registration Council of Nigeria
